Hammers, Nails & a Great Fish Story.

I battered my first fish when I was ten, and my first pickle when I was twelve. I know what I'm doing.

I called my pub "The Old Bag of Nails" because the first one was in an empty hardware store. I have my great-uncle Gaylord's famous pub recipes, and I also have his name.

They say imitation is flattery. So when it comes to our original Fish & Chips we ought to be thrilled to death, and we are.

Our award-winning Fish & Chips are the best in town. And that's no fish story.

Every day people stop by for great food, great spirits and an occasional hammer.

**Eat. Drink.
Enjoy yourself.
I sure do.**
